# Regulation of the Chancellor

Category: PEDAGOGICAL PERSONNEL

Number: **C-274**

Subject: LICENSE REQUIREMENTS FOR SCHOOL PSYCHIATRIST

Page: 1 of 1

Issued: 01/01/91

## 1. Applicability

This regulation prescribes license requirements for licenses as School Psychiatrist. There is no comparable New York State Certificate for this license title.

## 2. Satisfaction of Requirements

Requirements for this license must be satisfied as generally prescribed by Regulation C-205. Subdivision C-205.15 provides a one-year time extension for those required to hold a currently valid license to practice medicine in New York State, provided no such applicant is appointed prior to possession of the required license.

## 3. Preparation Required for School Psychiatrist

- a. Graduation from an approved medical school or medical college; and
- b. Possession of a license to practice medicine in New York State and present registration under that license.

## 4. Experienced Required for School Psychiatrist

One year of approved internship and three years of approved residency training in psychiatry, including or supplemented by a year of experience in child psychiatry.

## 5. Inquiries

Inquiries concerning this regulation should be directed to:

***Chief Administrator, ORPAL Licensing***

New York City Board of Education  
65 Court Street - Room 401  
Brooklyn, New York 11201  
Telephone: **(718) 935-5868**

### **Note and Changes**

1. Regulation C-274 was originally enacted by the Chancellor as Regulation C-291, pursuant to resolutions of the Board of Education adopted on January 5, 1977 to replace the corresponding sections of the former **By-Laws** of the Board. On November 13, 1990 effective January 1, 1991, the regulation was extensively revised to comply with Chapter 650 of the Laws of 1990.
